

2005-2006 Technology Allocation –

This year the Idaho State legislature divided the \$9.5 million appropriated technology funds into two allocations –

	\$5,100,000 million	\$4,400,000 million
Purpose	Hardware, software or remediation as per the discretion of the local school board.	School district technology expenditures. Such expenditures may include the personnel costs associated with school district information technology staff support.
Disbursement of funds	Based upon state equalization percentage.	<ul style="list-style-type: none"> • Based upon ICTL funding formula. • \$350,000 for LiLI database. • \$160,000 for ICTL administrative expenses.
Timing for disbursement of funds	75% sent out in August, 2005. 25% will be sent out in June, 2006.	100% sent out by January, 2006.
Current funding formula		<ul style="list-style-type: none"> • \$20,000 base for districts over 100 students, • \$5,000 base for districts under 25 students, or • sliding base for districts between 25 and 100 students calculated by multiplying ADA times \$200 and • a \$20,000 base for all Charter Schools. The charter schools will receive a proportionate amount of a \$20,000 base, determined by prior year average daily attendance. • The remainder of the funds is distributed based upon previous years ADA.
Charter Schools	Will be allocated an amount as per the state equalization percentage.	<ul style="list-style-type: none"> • New charter schools will not get an allocation as the funding formula is based upon the previous years ADA. • A \$20,000 base amount will be for all charter schools and will be allocated based upon the previous years ADA percentage.
